## **DETAILED ACTION**

### **REASONS FOR ALLOWANCE**

1. Claims 11-17 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art, either singly or in combinations, fails to anticipate or render obvious a plasma processing apparatus in which particulate dust is generated comprising: a plasma generating electrode, at least one particulate collecting electrode, an electric potential source, and at least one particulate drawing electrode provided around each of the openings in the collecting electrode, which is insulated from the collecting electrode and capable of appropriately applying an electric potential higher than the electric potential of the collecting electrode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michelle Crowell whose telephone number is (571) 272-1432. The examiner can normally be reached on M-F (9:00 - 5:30).
